

# Asleep At The Wheel, Right or Wrong

Right or wrong I'll always love you  
Though you're gone I can't forget  
Right or wrong I'll keep on dreaming  
Still I wake with that same old regret  
And all along I thought I'd lose you  
And still I prayed that you'd be true  
In your heart please just remember  
Right or wrong I'm still in love with you  
Oh, play it for me  
Oh, yeah

Oh, right or wrong I'll always love you  
Though you're gone I can't forget  
Right or wrong I'll keep on dreaming  
Still I wake with the some old' regret  
And all along I thought I'd lose you  
And still I prayed that you'd be true, Lord Lord  
In your heart, please just remember  
Right or wrong I'm still in love with you, oh
