Up in the morning, out on the job
Work like the devil for my pay
But the lucky old sun has nothing to do
But roll around heaven all day
Fuss with my woman, toil for my kids
Sweat til I'm wrinkled and grey
While the lucky old sun has nothing to do
But roll around heaven all day
Good Lord above can't you know I'm pining
Tears all in my eyes
Send down that cloud with a silver lining
Lift me to paradise
Show me the river, take me across
Wash all my troubles away
Like the lucky old sun give me nothing to do
But roll around heaven all day
Good Lord above can't you know I'm pining
Tears all in my eyes
Send down that cloud with a silver lining
Lift me to paradise
Show me the river, take me across
Wash all my troubles away
Like the lucky old sun give me nothing to do
But roll around heaven all day
Roll around, roll around heaven all day
Roll around, roll around heaven all day
