

# Aslyn, That's When

When you have to look away  
When you don't have much to say  
That's when I love you  
I love you  
Just that way  
To hear you stumble when you speak  
Or see you walk with two left feet  
That's when I love you  
I love you...endlessly  
And when your mad cuz you lost a game  
Forget I am waiting in the rain

Baby I love you  
I love you anyway  
Cuz here's my promise made tonight  
You can count on me for life  
Cuz that's when I love you  
When nothing you do can change my mind  
The more I learn the more I love  
The more my heart can't get enough  
That's when I love you  
When I love you no matter what

So when you turn to hide your eyes  
Cuz the movie, it made you cry  
That's when I love you  
I love you  
A little more each time  
And when you can't quite match your clothes  
Or when you laugh at your own jokes  
That's when I love you  
I love you more than you know  
And when you forget that we had a date  
Or that look that u give when u show up late

Baby I love you  
I love you anyway  
Cuz here's my promise made tonight  
You can count on me for life  
Cuz that's when I love you  
And nothing you do can change my mind  
The more I learn the more I love  
The more my heart can't get enough  
That's when I love you  
When I love you no matter what  
That's when I love you  
When nothing baby  
Nothing you do can change my mind  
The more I learn the more I love  
The more my heart can't get enough  
That's when I love you  
When I love you  
No matter what

No matter what...
