Ureshii kedo kimi wa watashi ga kirai

Futari de koi shite

Tanoshii tokoro e ikitai kedo

Kimi wa dokonimo inai

Naze kietai no?

Kimi wa nigeteru no

Naze? naze? doshite?

Looking at that cloud

The flying bird

I'm happy but you don't like me

I want us to be in love
and go somewhere fun

But you are nowhere
Why do you want to disappear?

You are running away
Why? Why? How come?

Despite that I love you, love, love you...
