

# Asphyx, Rite of Shades

Searching for their after-life  
Visions of mortality  
The ever-written question  
Of their own spirituality

Rite of Shades  
Revelations  
Of the co-existence  
In this new dimension

Joining the ranks of the dark  
Burning curiosity  
Feel the soul slipping away  
Into the realm of eternity

Rite of Shades  
Revelations  
Of the co-existence  
In this new dimension
