

# Asrai, Stay With Me

Where will I stand  
When there's nothing left to say  
Stay with me  
What will you choose  
When there's nothing left to lose?  
Time stands still

Hide behind the walls  
Where a house is not a home  
Stay with me  
I can't break through  
When there's nothing to be told  
Stay with me

Stay with me  
When there's nothing left  
Stay With me

How can I breathe  
When the sky has turned to grey?  
It fades away  
I don't understand  
Does it always feel so cold?

Do the nightmares find your head  
Staring to the face behind?  
Time is all we have  
When the sky has turned to grey  
Stay with me

Stay with me  
When there's nothing left to say  
Please stay

Stay with me  
When there's nothing left to lose  
Please stay
