

# Ass Ponys, It's Not Happening

you've got your own thing  
but it's not happening  
you've got your own place  
but that's not where it's at

it's not happening  
that's not where it's at

you're like a race car  
with all the tires flat  
you look like a million bucks  
but where can you go like that

like a million bucks  
all the tires flat

(we all want to get to heaven  
but we don't want to die)
