

Ass Ponys, It's Not Happening

you've got your own thing
but it's not happening
you've got your own place
but that's not where it's at

it's not happening
that's not where it's at

you're like a race car
with all the tires flat
you look like a million bucks
but where can you go like that

like a million bucks
all the tires flat

(we all want to get to heaven
but we don't want to die)
