

# Ass Ponys, Little Bastard

Little Bastard, all fish belly white  
Wears gym trunks and a tank top shirt  
When his grandma sees him playing with a knife  
She says, &quot;Put that down, you're gonna get hurt&quot;;  
And she calls him Little Bastard  
And she says it to his face  
And he says, &quot;Don't call me Little Bastard  
Call me Snake&quot;;  
Little Bastard has a recurring dream  
That he's a pirate on a sea of snakes  
And when the waves come you can listen to him scream  
As the tide runs down his leg  
And she calls him Little Bastard  
And she says it to his face  
And he says, &quot;Don't call me Little Bastard  
Call me Snake&quot;;
