## Assassin, Fight (To Stop The Tyranny)

Death, swords and inhuman minds Control our world Marxists, nazies and communists steel freedom From our lifes

Go wild you banging crowd Destroy there rules of tyranny What we will stay about life, When we are living free

Fight for, fight for right!
Fight for, fight for fight
For freedom now!
Fight for, fight for right!
Fight to stop the tyranny!

The masses of people are on the road And starting riot and strikes Spending all of their energy to kill The kings of our world

Fight for, fight for right! Fight for, fight for fight For freedom now! Fight for, fight for right! Fight to stop the tyranny!
