

Assassin, The Light

Tell me tell me tell me
What am i supposed to do
I never want another motherfucker like you
If i ever see girl i know i'll be sick
You want a second chance? you can suck my dick
Don't think about calling
I won't be home
Why can't you just leave me to fuck alone
You dirty little hoare
Don't come near my door
Or i'll make you understand

(Chor)

I'm always fantasising
Your love is tantalising
I fell into your hands
How could i ever do ya
Don't want to take it to ya
Think i'll find a new romance
It weren't you that got hot
It was the loving i got
Spiked with xtc
So whats up cutie I won
Take it to me
I'll will make you better
Tell me tell me tell me
What am i supposed to do
I've never had nothing as hot looking as you
Every time i see you
My billy gets hard
Kinda like the steel pole in my backyard
Maybe like the old stone brick of my house
Don't ever let me near you baby with my mouth
I'll drink you like a jar
In an alcoholic bar
Until i make you understand

(Chor)

I'm always fantasising
Your love is tantalising
I fell into your hands
I always wanna do ya
Always wanna to take it to ya
I've found a new romance
It was you that got hot
>From the loving i got
Spiked with xtc
So whats up cutie I won
Take it to me
I'll will make you better
