

# Assassin, Your Absence

(Chor)

When the dark overpowers the light  
Stars Become Bright  
When there's no one left to trust but you  
Hold on to you soul  
Set yourself a goal  
Don't stop until you've got where you wanted to  
The land was a mess  
They said it his fault  
Some Jazz about stress  
That weren't the cause  
There was no contract, no clause  
But then it dawned  
Was this some kind of test  
The time  
Probably the best i've ever had  
Never happier  
Wanted nothing more  
But it all seems so mad  
Throwing away everything  
Breaking down the door  
But life's a party  
And thats what we're here for

(Chor)

When the dark overpowers the light  
Stars Become Bright  
When there's no one left to trust but you  
Hold on to you soul  
Set yourself a goal  
Don't stop until you've got where you wanted to
