

AssJack, Tennessee Driver

Well, I was drivin' by myself through Tennessee
And I broke down on the side of the road, look at me
Well, I got a Mohawk, it looks pretty sad
And I don't think that they'll think I'm a good man
So I went to the bar, so I could use the phone
The guy just looked at me and said, "Hell no"
Fuck you motherfucker
You, you, you, you, you
Well, I was drivin' by myself through Tennessee
And I broke down on the side of the road, look at me
Well, I got a Mohawk, it looks pretty sad
And I don't think that they'll think I'm a good man
So I went to the bar, so I could use the phone
The guy just looked at me and said, "Hell no"
Fuck you motherfucker
You, you, you, you, you
