Everything That Touches You  
(Terry Kirkman)

In my most secure moments, I still can't believe  
I'm spending those moments with you  
And the ground I am walking, the air that I breathe  
Are shared at those moments with you  
You love for real, you show the feel  
Of everything that touches you

In the songs I've been singing, quite often a phrase  
Comes close to the feeling of you  
BUt I never suspected that one of those days  
The wish of a song would come true  
You love for real, you show the feel  
Of everything that touches you

You are of gracefulness, you are of happiness  
You are what I would guess to be most like  
What I've been singing of  
Love, love, love, love

In the songs I've been singing, quite often a phrase  
Comes close to the feeling of you  
But I never suspected that one of those days  
The wish of a song would come true  
You love for real, you show the feel  
Of everything that touches you  
Love, love, love, love
