Assorted Jellybeans, Mr. Bill

it's been one year conservatives you fear you've done nothing i think you need a beer you had the master plan millions of stoner fans just don't inhale you told ross to go eat shit you told george your sick of it just don't inhale one day you're young and glad next day you're as old as dad what's up with that health care eased everyone's scare i still can't get over your hair what's up with that? time's up mr. bill your crusty daughter gives me the chills she looks like she was incested your wife's got bigger balls than you
