

Astrud Gilberto, I Will Wait For You

If it takes forever, I will wait for you
For a thousand summers, I will wait for you
'til you're back beside me, 'til I'm holding you
'til I hear you sigh here in my arms
Any where you run to, any where you go
Every day remember, how I love you so
In your heart believe what in my heart I know
that forever more I'll wait for you
The clock will tick away the hours one by one
And then the time will come when all the waiting's done
the time when you return and find me here and run
Straight to my waiting arms
If it takes forever, I will wait for you
For a thousand summers, I will wait for you
'til you're here beside me, 'til I'm touching you
and forever more cherish your love
