Aswad, Day by day Day by day by day oh Livin' day by day oh... I want to make it in life I want the chance to be right I want to make it in life I want the chance to be right I want to make it in life I want the chance to be right I want to make it in life I want the chance to be right I want to make it in life I want the chance to be right I want to make it in life I want the chance to be right I want to make it in life I want the chance to be right I want to make it in life I want the chance to be right I want to make it in life I want the chance to be right I want to make it in life I want the chance to be right I want to make it in life I want the chance to be right I want the chance the
