## Aswad, I Will Keep On Loving You

Yes I will you know that I will Yes I will cos I'm sure that I will Love you love you love you So no matter what they do And no matter how they contradict My philosophy, I know that I will keep on loving you So no matter what they do And no matter how they contradict My integrity, I know that I will keep on loving you See I will keep on loving you Until the wind stop blowing in the air Oh oh I will keep on loving you Until the morning dew stop falling Lightly on the ground Oh I will keep on loving you Until until So no matter what they do So no matter how they kinda fool me Trying to fill my head with lies I will keep on loving you So no matter how they persecute My decision through righteousness I will keep on loving you Ya see I will keep on loving you Until the sun refuses to give Its light to all Oh I I'll keep'on loving, you Until the moon it stops glowing at night Oh I I'll keep on loving you Until until Until all the mountains Have crumbled down Yes all of them are washed into the sea you see They could try a little more They could really come to cold I up But I know that I will keep on loving you For the fear of his wrath Yes the fear of him is always present Always ever present in my heart I will keep on loving you See even when I'm down there In their prison cell I know that I will keep on loving you When the times get rough And they say there's not enough To go around I will keep on loving you Yes I will I'll keep on loving you When life gets dreary I won't get weary You see I and I aswad by the grace of God
