

# Aswad, Natural Aggression

Natural progression  
Natural progression  
Natural progression  
Natural progression  
Necessity, the mother of I and I inventions  
Are using what Jah gave us  
And there was plenty  
In mother Africa  
Government society  
Colonialise the black nation  
Government society  
Colonialise the black nation  
Left us crying  
Natural progression  
Natural progression  
Natural progression  
Natural progression  
Now you confuse, I early tuition  
Hold I customs then you call it  
Religion  
Inventing military weapons to gain

Supremacy, over I  
Inventing military weapons to gain  
Supremacy  
Natural progression  
Natural progression  
Natural progression  
Natural progression  
They want to execute political systems  
On I and I  
They want to execute political systems  
On I and I  
They want to execute political systems  
On I and I  
They want to execute political systems  
On I and I  
Natural progression
