

# At Cliffs End, The City

You've lost your love again  
You lost what you were saying  
Breakout of yourself..  
we got this city tonight!  
I've got a new love  
and I'm taking different strokes  
This time i'm taking all the things I've wanted  
Making them more than what there worth  
Can you hear me now?  
can you hear us screaming?  
I'll be there in a second please don't leave yet  
Just take all of your past regrets and lose yourself  
the best you can...  
Please send me a new song..  
Well sing it loud  
I'm taking everything I've wanted  
But I'm wanting you the most  
We got this city  
Well take this town  
You've got everyones attention  
Can you hear me now?  
I've got a new love take back everything you changed  
You can stop at your opinions  
But I don't think I can wait  
What it takes to feel this way  
What a chance to finish late  
I'm taking this for granted now  
I'll tell you everything i know
