

# At The Drive-In, Metronome Arthritis

strike this match  
and let loose the oven's breath  
up the volume that  
flirts with the UHF

swipe the magnets on the audio tape  
these arsons of grand larceny  
keep running, keep running in place  
achilles tendon severed from the race

quick to the throat  
in this ink cartridge funeral  
the marble caps lock  
zip code affiliate  
you've got a run on your pharmaceuticals  
you better change it  
before the night grows old

set the temperature on delete  
keep running, keep running in place  
let's hit the neighborhood today

quick to the throat  
in this ink cartridge funeral  
marble caps lock  
zip code affiliate  
you've got a run on your pharmaceuticals  
you better change it  
before the night grows old  
you've got a run on your pharmaceuticals  
you better change it  
before the night grows old  
prescriptions filled  
now cut your suit and tie cuticles  
you cut your fingernails way too short

what if forensics finds the answers?  
what if they stole my fingerprints?  
where did i leave my book of matches?  
we'll find you
