

At Vance, Soldier Of Time

Closing your eyes
To discover your mind
Raisin' your weapon
Against the enemys you find

Crossing your sword
In glorious fights
Don't waste a word
As you fight with the knights

Graceful they stand
Honored they fall
Heroes of their land
Can't you hear their call

From the soldiers of time

Fightin' a battle
With all of the greats
Wounded you fall
But it's never too late

Stand up and fight
And the victory'll be yours
Wrong won't be right
And you could be openin' the doors

Graceful you stand
You'll never fail
Hero of your land
You've got to survive

'Cause you've been a soldier of time
One in a million
Crossing the line
Your star will always shine
Through the centuries
To light up the sky

You've been a soldier of time
One in a million
Crossing the line
Your star will always shine
Through the centuries
To light up the sky

Closing your eyes
To discover your mind
Raisin' your weapon
Against the enemys you find

Stand up and fight
And the victory'll be yours
Wrong won't be right
And you could be openin' the doors

Graceful you stand
You'll never fail
Hero of your land
You've got to survive

'Cause you've been a soldier of time
One in a million
Crossing the line

Your star will always shine
Through the centuries
To light up the sky

You've been a soldier of time

Through the centuries
To light up the sky
