

# Atargatis, 4Giving

You are leaving - never giving,  
Take only anger with you.  
You're fearing - not forgiving;  
At least have to run away, run away!

[1. Str.:]

You are fortunated when life elected you,  
It will surround your soul.  
Feels like a little kiss  
Of a gentle breeze.  
So lay down  
Your heavy coats and move on within it's covering,  
When fortune touched you  
And carries you along.

You are leaving - never giving,  
Take only anger with you.  
You're fearing - not forgiving;  
At least have to run away, run away!

[2. Str.]

Move on fortunated;  
Beware it's kiss on your cheek.  
So loose all  
Burden from your soul  
And seize the chance  
That life may give you to open you the right way.  
When fortune touched you  
And carries you along.
