

Atari Teenage Riot, Atari Teenage Riot

I will be more successful than all those that went before me
Because the time is right the, the season is right, you are right, the conditions are right
We must go free! now! now is the time!

Go!

Are you ready?

1, 2, 3, 4!

After west german takeover berlin youth were just getting used to their new found freedoms:

House, drugs, squats denied despite food and money shortages

Since perestroika planet soviet union has changed

There's a new world in which young people can work together!

Come on - let's work together!

The most famous suckers are elvis presley, james dean

And the most photographed universally known of them all - marilyn monroe

But the times are changing and you'll see that the last chance will be an atari teenage riot

Atari teenage riot!

What did you say? what did you say? what did you say?

Atari teenage riot!

There won't be any experts there to say you should do this you should do that

I don't care what anyone does to our records... I just don't wanna be looking at it

Come on!

I don't wanna punish people - I wanna punish myself

As much as well with the music I think that's part of the reason

But anyway... the last chance will be an atari teenage riot

Atari teenage riot!

What did you say? what did you say? what did you say?

Atari teenage riot!

Power for those who can fuck it

Freedom for those who can find it

Sex for those who can buy it

Television today never lies

What did you say?

Atari teenage riot!
