

# Ataris, Broken promise ring

I really wanna call you, but I know that it's not right.  
I probably shouldn't tell you but I dreamed of you last night.  
I guess I'm not prepared to say...  
Goodbye, so long, farewell, I won't be seeing you again  
Until next time that he goes away.  
You told me that you loved me, I started tearing down those walls.  
I really started to trust you but you set me up to take the fall.  
I guess I'm not prepared to say...  
Goodbye, so long, farewell, I won't be seeing you again  
Until next time that he goes away.  
I guess that I'm wrong for falling in love,  
But you're still the one that I'm dreaming of.  
I guess that it's you I want to hold onto,  
But you're holding onto someone else.
