

# ATB, Ecstasy (Clubb Mix)

You really are, you really are  
You really are my ecstasy  
You really are, you really are  
You really are my ecstasy  
You really are, you really are  
You really are my ecstasy  
You really are, you really are  
You really are my  
Have you ever noticed  
That I'm not acting as I used to do before?  
Have you ever wondered  
Why I always keep on coming back for more?  
What have you done to me  
I'll never be the same I'll tell you for sure  
I'll never be the same I'll tell you for sure  
I'll never be the same I'll tell you for sure  
You really are my ecstasy  
You really are my ecstasy  
Not that I'm complaining  
A more beautiful vision, I have never seen  
If you don't mind me saying  
A lifelong ambition to fulfill my dream  
What have you done to me  
I'll never be the same I'll tell you for sure  
I'll never be the same I'll tell you for sure  
I'll never be the same I'll tell you for sure  
You really are my ecstasy  
My real life fantasy, oh yeah  
You really are my ecstasy  
My real life fantasy, oh yeah  
You really are my ecstasy  
My real life fantasy, oh yeah  
You really are my ecstasy  
My real life fantasy, oh yeah  
There can be no other while we still have each other  
There can be no other while we still have each other  
There can be no other while we still have each other
