

# ATB feat. JanSoon, Move On

I hate you, but I love you  
I can't stand the way you looked at me lately  
Come back, even though we're not the same  
And it feels like going nowhere, but I know where you are  
It feels like going nowhere, but I have to move on  
I have to move on

I hate you, but I love you  
I can't stand the way you looked at me lately  
Come back, even though we're not the same  
And it feels like going nowhere, but I know where you are  
It feels like going nowhere, but I have to move on  
I have to move on
