

ATB, Marrakech (A and T Remix)

That familiar sound explains what I'm feeling
I'm both lost and found, never been there before
That familiar sound explains what I'm feeling
I'm both lost and found, never been there before
Can't tell you how I even came to get here
Mysterious, everything I hold dear
That familiar sound explains what I'm feeling
I'm both lost and found, never been there before
A ritual disgrace, Marrakech adventure
A ritual disgrace, Marrakech adventure, Marrakech adventure
A ritual disgrace, Marrakech adventure
A ritual disgrace, Marrakech adventure, Marrakech adventure
Marrakech adventure
Marrakech adventure
Marrakech adventure
Marrakech adventure
Marrakech adventure
Marrakech adventure
Marrakech adventure
A ritual disgrace, Marrakech adventure
A ritual disgrace, Marrakech adventure, Marrakech adventure
A ritual disgrace, Marrakech adventure
A ritual disgrace, Marrakech adventure, Marrakech adventure
