

ATB, Marrakech (Airplay Mix)

A ritual disgrace, marrakech adventure
A ritual disgrace, marrakech adventure
That familiar sound, explains what I'm feeling
I'm both lost and found, never been there before
That familiar sound, explains what I'm feeling
I'm both lost and found, never been there before
A ritual disgrace, marrakech adventure
A ritual disgrace, marrakech adventure
A ritual disgrace, marrakech adventure
A ritual disgrace, marrakech adventure
Can't tell you how, I even came to get here
Mysterious, everything I hold here
That familiar sound, explains what I'm feeling
I'm both lost and found, never been there before
A ritual disgrace, marrakech adventure
A ritual disgrace, marrakech adventure
A ritual disgrace, marrakech adventure
A ritual disgrace, marrakech adventure
That familiar sound, explains what I'm feeling
I'm both lost and found, never been there before
Marrakech adventure
