

# ATB, Move On (feat. JanSoon)

(I hate you... but I love you)

I hate you, but I love you

I can't stand the way you looked at me lately

Come back, even though we're not the same

And it feels like going nowhere, but I know where you are

It feels like going nowhere, but I have to move on

I have to move on

[x2]

(I hate you... but I love you) [x3]

I hate you, but I love you

I can't stand the way you looked at me lately

Come back, even though we're not the same

And it feels like going nowhere, but I know where you are

It feels like going nowhere, but I have to move on

I have to move on

[x2]
