

ATB, Remember

I can feel you across the miles of my body
Almost physical, spiritual
Like there is no separation -
Like you were right beside me like a river
I can feel forever in my mind
I can always reach for you inside
We can stay together in our minds
Feel you like a river, never die
Remember the bridge we crossed?
Sun streaming out through the leaves
Just energy
I can feel forever in my mind
I can always reach for you inside
We can stay together in our minds
Feel you like a river, never die
And I feel you, feel you, feel you like a river
And I feel you, feel you, feel you like a river
I can feel forever in my mind
I can always reach for you inside
We can stay together in our minds
Feel you like a river, never die
Ohh, ohh
And I feel you, feel you, feel you like a river
Ohh, ohh
And I feel you, feel you, feel you like a river
