

# ATB, Remember

I can feel you across the miles of my body  
Almost physical, spiritual  
Like there is no separation -  
Like you were right beside me like a river  
I can feel forever in my mind  
I can always reach for you inside  
We can stay together in our minds  
Feel you like a river, never die  
Remember the bridge we crossed?  
Sun streaming out through the leaves  
Just energy  
I can feel forever in my mind  
I can always reach for you inside  
We can stay together in our minds  
Feel you like a river, never die  
And I feel you, feel you, feel you like a river  
And I feel you, feel you, feel you like a river  
I can feel forever in my mind  
I can always reach for you inside  
We can stay together in our minds  
Feel you like a river, never die  
Ohh, ohh  
And I feel you, feel you, feel you like a river  
Ohh, ohh  
And I feel you, feel you, feel you like a river
