

ATB, You Are Not Alone

In a way, it's all a matter of time
I will not worry for you, you'll be just fine
Take my thoughts with you and when you look behind
You will surely see a face that you recognize
You're not alone, I'll wait till the end of time
Open your mind, surely it's plain to see
You're not alone, I'll wait till the end of time for you
Open your mind, surely there's time to be with me
It is the distance that makes love a little hard
Two minds that once were close, now so many miles apart
I will not falter though I hold onto your home
Safely back where you belong and see how our love is grown
You're not alone, I'll wait till the end of time
Open your mind, surely it's plain to see
You're not alone, I'll wait till the end of time for you
Open your mind, surely there's time to be with me
You're not alone, I'll wait till the end of time
(You're not alone)
Open your mind, surely it's plain to see
