Around The World (Alternate Version)

The kisses of the sun
were sweet I didn't blink

I let in my eyes

like an exotic dream

the radio plays it songs

that i have never heard

I don't know what to say

ohh not another word

just lalalalala

it goes around the world

just lalalalala

it's all around the world

just lalalalala

and everybody's singing

lalalalala

and all the bells are ringing!

lalalalalalalalalalalalalalalalala.....

Inside an empty room

Cant wait to hear the tune

Around my head it goes magic melodies

You want to sing with me just

lalalalala

The music is a key

And now the night is gone

Still it goes on an on

So deep inside of me

I want to set it free

I dont know what to do

Just can explain to you

I dont know what to say

Ohh not another word

Just lalalalala

it goes around the world

just lalalalala

It's all around the world

Just lalalalala

and everybody's singing

lalalalala

and all the bells are ringing!

lalalalalalalalalalalalalalalalala.....

The kisses of the sun of the sun of the sun

(around around around around around around around around the world)

lalalalalala

it goes around the world

just lalalalalala

it's all around the world

just lalalalalala

and everybody's singing

lalalalala

and all the bells are ringing

Lalalalalalalalala

Lalalalalalalalala

Lalalalalalalalala

Lalalalalalalala
Lalalalalalalala
Lalalalalalalala
Lalalalalalalala
.....To end.
