

Athena Cage, All Or Nothing

Here's the chance of life, get ready, set, fly high.
Above the fear of your mind, go for it.
It's hit or miss, too late for you to quit.
You gotta show 'em how bad you really want this, so...

Chorus:

Live your dreams,
It's not as hard as it may seem.
You gotta work to get the cream,
On your hopes you will see.
From your fears
You have to win yourself.
It's all or nothing,
Give your everything.

Are what you believe,
You got to bring the heat.
Set the pace, competition take the lead.
This is it, all eyes on you.
So stay on point and prove,
That you deserve what's long overdue.

Chorus:

Live your dreams,
It's not as hard as it may seem.
You gotta work to get the cream,
On your hopes you must lean.
From your fears
You have to win yourself.
It's all or nothing,
Give your everything.

My heart is still recovering,
From the heartbreak of another kind,
I'm still drying my tears.
Getting over my own fears

In my life
So I wanna make sure this time
That I'm strong enough
To give it my all

Live your dreams,
It's not as hard as it may seem.
You gotta work to get the cream,
On your hopes you must lean.
From your fears,
You have to win yourself.
It's all or nothing,
Give your everything.

(Operatic Break)

Live your dreams,
It's not as hard as it may seem.
You gotta work to get the cream,
On your hopes you must lean.
From your fears,
You have to win yourself.
It's all or nothing,
Give your everything.

Live your dreams,
It's not as hard as it may seem.

You gotta work to get the cream,
On your hopes you must lean.
From your fears,
You have to win yourself.
It's all or nothing,
Give your everything.

So you gotta live your dreams,
So don't you be afraid.
Just set the pace, and take the lead,
It's your time to shine.
