

# Athenaeum, I Don't Wanna Be The One

I don't wanna be the one,  
to tell you how it should be.  
And I don't wanna be the one,  
to hold you back from what you need.  
Sometimes I can't believe that you were mine  
One day I'll see your name in lights  
And you'll shine, shine

So come on come on come on, take your time work it out  
come on come on come on, there's no need to shout  
come on come on come on, take your time, get it right  
come on come on come on, there's no need to fight.

I don't wanna be the one  
to tell you how it should be.  
And I don't wanna be the one  
to make you scream, it's just not me.  
Sometimes I can't believe that you were mine  
One day I'll see your name in lights  
and you'll shine, shine

So come on come on come on, take your time work it out  
come on come on come on, there's no need to shout  
come on come on come on, take your time, get it right  
come on come on come on, there's no need to fight.  
yeah, oh not tonight.

I don't wanna be the one (come on come on come on)  
I don't wanna be the one (come on come on come on, take your time)  
i don't wanna be the one (come on come on come on, oh yeah)
