

# Athenaeum, Just Like You

## Just Like You

I want to see the world through your eyes  
And know exactly what it's like to be with me  
I want to know the world through your mind  
'Cause I've been missing out on something  
I know I want to find  
And it's so hard to be alone  
When you're the only one that ever knows  
And it's so hard to be alone  
When you don't even know who I am  
And I want to be  
Just like you  
Take my life just like a book  
And fold it in two  
And I want to know  
How it feels to be you  
When my life is so uncertain  
And I don't know what to do  
I'll just be you
