

Athenaeum, One Day At A Time

You don't know what I have been through
Trying to turn these wrongs to right
When I think of all the bad times that we've been through
I know that we were not so kind.

But you're still my ballerina
whatever you choose, so I hope you remember
sometimes to win we must lose one another
so maybe we should take it one day at a time.
take it one day at a time.

You don't know the eyes which have seen you
Visions i would never share.
You must think the road that I have traveled
is broken beyond repair

But you're still my ballerina
Whatever you choose, so i hope you remember
Sometimes to win we must lose one another
So maybe we should take it one day at a time
One day at a time, take it one day at time
One day at a time, take it one day at a time.
Take it one day at a time, yeah, one day at a time.

How many years do we lose?
Changing our minds, never knowing what to choose.
You must believe this is not who we are.
But you're still my ballerina
so maybe we should take it one day at a time
