

Athlete, Another Kind Of Beautiful

Bringing in the new sound
Oh please bring it in please bring it
Oh I have been missing
Oh please bring it in please bring it

Me some teeth that are golden
Good enough to eat (Good enough to eat!) (K, you ready?)
Good enough to eat (Good enough to eat!)

Oo-oo-oooh this is beautiful
We've got to soak it up together we'll soak it up
Oo-oo-oooh this is beautiful
We soak it up together we soak it up
