

# Athlete, Love Come Rescue

Mother do you still love this child?  
Baby on the run  
Father would you forgive me now?  
When you see what I have become  
Love come rescue  
Love come rescue  
There's a swallow on the phone wire  
Singing songs unto my pain  
Songs I will remember  
Oh, to lift me up again  
Love come rescue  
Love come rescue  
Love come rescue  
Love come rescue
