

Athlete, Tokyo

I am Tokyo
I am here
I am blazing lights
on your street.

I'm an upstart
Bound to cross you
I'm the hypocrite
By your side

She won't forget
And I won't forget

And no one around could tell us apart
Cause we were one mouth
and one robot heart

I am Tokyo
I am here
I am neon signs
on your street

I'm an army
of wind turbines
Marching over your countryside

And she won't forget
And I won't forget

And no one around could tell us apart
Cause we were one mouth
And one robot heart.

There's never enough time
Only, only
A glare off rainbow bridge.

Pin prick to the heart
Again and again
I felt every spark

And no one around could tell us apart
Cause we were one mouth
and one robot heart

We're burning through town like there's nothing to lose
Cause we were one mouth
and one robot heart
