Athlete, With Every Heartbeat

Baby we can make it alright
We can make it better sometime
Maybe we can make it happen, baby
We could keep trying but things will never change
I don't look back
I'm trying with every step I take
But I don't look back
Just a little, little bit better

Good enough to waste some time
Tell me would it make you happy, baby?
We could keep trying but things will never change
So I don't look back
Could keep trying but every step I take
But I don't look back
Could keep trying but things will never change
But I don't look back
Now I don't look back

And it hurts with every heartbeat
And it hurts with every heartbeat
I don't look back (And it hurts with every heartbeat)
Could keep trying but things will never change
I don't look back (And it hurts with every heartbeat)
Still I'm dying with every step I take
I don't look back
We could keep trying but things will never change
I don't look back
