Atkins Chet, Poor Boy Blues

(Paul Kennerley) Do I want you? Yes I do Do I need you? Baby you know it's true But I ain't got nothin' that you can use So I'm sittin' on my own here, with these poor boy blues One day, baby, you will see You're gonna give all your love to me I'm the one, babe, that you're gonna choose But in the meantime, I got these poor boy blues Pick it son, pick it nice Things won't always be the same Someday soon, everything will change You'll tell your mama her baby's got good news But until then, well, I got these poor boy blues
