

# Atkins Chet, There'll Be Some Changes Made

There'll be a change in the weather  
And a change in the scene  
How is that?  
I'm gonna start wearin' leather  
And change my routine  
I'll wear dark glasses maybe a toupee  
I'll get down and boogie and become risqu  
I'll start wearin' make-up like Jackson and Prince  
You'll see me ridin' in my Mercedes Benz  
Nobody wants you when you just play guitar  
There'll be some changes made tomorrow  
There'll be some changes made  
Y'know Chet, you're never gonna get  
To play that rock & roll  
Why is that?  
You're kinda country, a little bit old  
That hurts  
But your money for nothin'  
And your chicks for free  
Well, them groupie girls  
Ain't what they're cracked up to be  
Well, not all of them anyway  
Well, I'd really like to find out  
For myself, don't you know  
I've had a kind of quiet life  
Down here on music row  
Oh, I know  
Well uh?like a man, what do you think?  
Man, I don't know  
I really think that I can make the grade  
Daddy-o, Daddy-o  
There'll be some changes made  
I think I was sharp there  
Just play one, just play  
Yeah  
You've played before  
Watch it, watch it  
Stand back boy  
Well, I'd really like to find out for myself  
Don't you know, 'cause  
Like I said I've had a sheltered life  
Down here on music row  
I don't believe so  
Well, what?what do you think Mark?  
I don't know  
I really think that I can make the grade  
There'll be some changes  
Now listen to this  
I'm gonna play some rock and roll  
There'll be some changes made, yeah  
There'll be some changes made  
Now let's all play  
Anybody hurt?  
I learned this at?at summer Bible school  
Well, I never could trust a saint  
I'm only a part-time saint  
Pretty good but you're no Mark Knopfler  
What about that one there?  
Not all that bad  
I like that  
I like that  
Don't make me look bad now  
Don't make me look bad  
Respect for your elders

There'll be some changes made
