

ATL, Too Perfect 4 Me

Girl you're too perfect for me, But you're too perfect for me.
Girl you're too perfect for me, But you're too perfect for me.
Girl you're too perfect for me.

On rainy day you brighten up my sky.
And it was cold outside, you made me feel so warm inside.
You are the answer to a prayer I prayed so long ago.

Baby here's exactly what I spoke;
"Four five, went up to her thighs."
With my name written on her heart, I show brightly like the stars.
She would tell no lie, straight up to her guy.
Know everything I like, still something's not right.

(Girl you're too perfect for me)
I'm telling you this to good to be true

(But you're too perfect for me)

To have a perfect girl like you

(Girl you're too perfect for me)

Oh baby this is too good to be true.

(But you're too perfect for me)

And then I found a perfect girl like you.

(Girl you're too perfect for me)

Never trip about me working late at night.

And I can't remember when we ever had a fight.

You never tried to push up on my friends (No)

And everything begins the same way it ends.

"Four five, went up to her thighs."

With my name written on her heart, I show brightly like the stars.

She would tell no lie, straight up to her guy.

Know everything I like, still something just ain't right.

(Girl you're too perfect for me)

I'm telling you this to good to be true

(But you're too perfect for me)

To have a perfect girl like you

(Girl you're too perfect for me)

Oh baby this is too good to be true.

(But you're too perfect for me)

Oh then I found a perfect girl like you.

(Girl you're too perfect for me)

(Ha) No one has ever made me feel this way before, nah.

You give me everything, I couldn't ask for more.

Not just stating how I'm feeling, I'm not saying I want to let you go.

(Girl you're too perfect for me)

I just want you to know, oh oh.

Girl you're too perfect for me, But you're too perfect for me.

Girl you're too perfect for me, But you're too perfect for me.

Girl you're too perfect for me.

[x2:]

I'm telling you this to good to be true

(But you're too perfect for me)

To have a perfect girl like you

(Girl you're too perfect for me)

Oh baby this is too good to be true.

(But you're too perfect for me)

Oh then I found a perfect girl like you.

(Girl you're too perfect for me)
