

# Atlantic Starr, Always

Girl you are to me  
All that a woman should be  
And I dedicate my life to you  
Always  
A love like yours is rare  
It must have been sent from up above  
And I know you'll stay this way  
For always  
And we both know  
That our love will grow  
And forever, it will be  
You and me hey  
Oh, you're like the sun  
Chasing all the rain away  
When you come around  
You bring brighter days  
You're the perfect one  
For me, and you forever will be  
And I will love you so  
For always  
Come with me my sweet  
Let's go make a family  
And they will bring us joy  
For always  
Oh boy I love you so  
I can't find enough ways to let you know  
But you can be sure I'm yours  
For always  
And we both know  
That our love will grow  
And forever, it will be  
You and me hey  
Oh, you're like the sun  
Chasing all the rain away  
When you come around  
You bring brighter days  
You're the perfect one  
For me, and you forever will be  
And I will love you so  
For always  
Hey oh, you're like the sun  
Chasing all the rain away  
When you come around  
You bring brighter days  
You're the perfect one  
For me, and you forever will be  
And I will love you so  
For always  
Oh oh I will love you so  
For always
