i found a masterpiece in you
Masterpiece, by
Atlantic Starr

A simple touch of your hand,
And everything is right.
The gentle way you look at me,
When we kiss goodnight.
You've given me the freedom no other love has known
And now I thank you girl , thank you girl

The countless ways you've touched my heart
Is more than i can say
The beauty that you've shown to me
takes my breath away
A picture perfect painting, thats what our love is
And yes I need you so, and now I know

Chorus:
ooooh
I've found a masterpiece in you
a work of art it's true
And I treasure you my love
ooooh
I've found a masterpiece in you
a work of art it's true
And I treasure you

Sometimes I wonder what i'd be
Had I not found you
A least and lonely soul this world
could show me nothing new

But now my life's a canvas
painted with your love
And it will always be
And now i see

The two of us together
Through time will never part
This fairy tale we're sharing
is real inside our hearts
let it be forever
and never let it end
this promise i do make
Heaven is ours to take

rerpeat chorus

When i'm lost and insecure
you build me up and make me sure
that everything will turn out right
My love.....ohhhhh ohhhhh

Repeat chorus

(This faiy tale we're sharing
is real inside our hearts
yes it's true, me and you... girl
Let be forever and never let it end

oh. no please never...never let it end
lets keep it together , baby love
I know we can do it, If we try.....)
