

# Atlantic Starr, My First Love

I've gotta go, and it's not because I don't love you  
Or anything like that  
But the reason is just plain and simple  
You see, girl, I'm not in love with you  
I never had it and I guess I never will  
Because you see, I can't get over my first love  
You've been so kind to treat me so fine  
And I know, for me, you'll do anything  
But I've made up my mind, I'm just wasting your time  
'Cause I'm yet to get over my first love  
You'll meet someone that will pay  
Attention to you everyday  
And I might as well be true to myself  
'Cause I'll never get used to no one else  
You've been so kind to treat me so fine  
And I know, for me, you'll do anything  
But I've made up my mind, I'm just wasting your time  
'Cause I'm yet to get over my first love  
I thought that she was my best friend  
I don't know where we went wrong  
Will I ever feel love again  
Or will I always be singing this same song?  
You've been so kind to treat me so fine  
And I know, I know for me, you'll do anything  
But I've made up my mind, I'm just wasting your time  
'Cause I'm yet to get over my first love  
I can't get over my first love  
Well, well, well, well, well, well  
Ooh, I can't get over you, baby  
No, no, no, no, no, oh yeah  
Oh, come back, you've been so kind to treat me so fine  
And I know, I know, for me, you'll do anything  
But I've made up my mind, I'm just wasting your time  
'Cause I'm yet to get over my first love, oh  
Get away from that door  
I've gotta walk on through that door  
I'm gonna miss my baby  
Oh baby, I've made up my mind  
'Cause I, I can't take this no more, baby  
To get over my first love  
Oh, you, you've really been so kind  
You shouldn't have been so fine, baby  
I should have never ever been here with you this long  
'Cause you know I, I can't forget my baby  
No, no, no, I can't forget my baby
