

# Atlantic Starr & The Jets, You Got It All

I, I was a game he would play, he brought the clouds to my day  
Then like a ray of light you came my way one night  
Just one look and I knew, you would make everything clear  
Make all the clouds disappear, put all your fears to rest  
Who do I love the best? Don't you know, don't you know  
You got it all over him, you got me over him  
Honey it's true, there's just you  
You must have been Heaven sent  
Hearing me call you went out on a limb  
And you're all that he's not, just look what I got  
'Cause you got it all, all over him  
No, don't let him worry you so, once I met you I let go  
Oh you can surely see, you're so much more to me  
Just one look and I knew, you would make everything clear  
Make all the clouds disappear, you're better than all the rest  
Who do I love the best? Don't you know, don't you know  
You got it all over him, you got me over him  
Honey it's true, there's just you  
You must have been Heaven sent  
Hearing me call you went out on a limb  
And you're all that he's not, just look what I got  
'Cause you got it all, all over him  
You got it all over him, you got me over him  
Honey it's true, there's just you  
You must have been Heaven sent  
Hearing me call you went out on a limb  
And you're all that he's not, just look what I got  
'Cause you got it all, all over him  
You got it all over him, you got me over him  
Honey it's true there's just you  
You must have been Heaven sent  
Hearing me call you went out on a limb
