Atmosphere, Prides Paranoia

" This was the year he fell to pieces

& amp; amp; ironicly this was the year when more people then he even knew existed scrambled to pand as they tried they didn't notice that he was smiling .. smiling his ass off .. no pun intended

oh what have we become? oh what have you become not allowed to kick the feet up and sleep until its done

ground control ground control to major tom we found a hole in your theory and named it Sean

& amp; amp; when the leave fall then land looks more human

its got me questioning the essence of my farm boy blues

hence I never wore the fashions of the know what I'm doin

but their won't be no alarm when we sound up the movement

a river runs through it UNTIL I'm made outa fluids

my fathers name is Art & amp; amp; my names pride

& amp; amp; while my destiny reading the recipe for confusion I'm lookin for who ever writes so empass the panneling comes un-glued I'm averaging a camel every hour for as a substitute for food out standing in this field waiting for the storms trying to teach the alphAbet to the children of the confusion.

yo the music aint loud enough I can still hear the voices in your head

the choices theyv'e chosen to choose have temporarily impalRed me I'm terribly proud if you don't turn it up louder I'm breakin out

I face the sun when I talk and I hold his hand as I walk him across the street

got caught inside a self taught it jus don't stop

& amp; amp; I'll trade you a pARAble for a probably

kick this one for St. Paul & Damp; this one for MinNeapolis

& amp; amp; kick this one hear for me and my super hero complex

& amp; amp; WHEN I CAN I'M GONNA BUILD A CASTLE THAT TOUCHES THE CLOUDS! NOT T
